Dear Exhibitors,

We are pleased to acknowledge and extend our sincere thanks for your participation as an exhibitor in **Indplas'25**, the 10th International Plastics Exhibition, to be held from **28th February to 3rd March 2025** at **Biswa Bangla Mela Prangan (Milan Mela Ground), Kolkata**.

We are happy to inform you that an **online ERP system** has been successfully implemented to streamline booth bookings, automating the registration process for greater efficiency and convenience. We trust that you had a smooth experience while booking your booth for Indplas'25.

To assist you further and ensure a hassle-free exhibition, we are pleased to present the **Exhibitor Manual**. This manual provides essential guidance on services offered, organizer capabilities, and rules and regulations that will aid in your successful participation. It is also available online on our website: www.indplas.in.

The following forms are now live on our website for your completion:

1. Fascia Name
2. Directory Listing
3. Directory Advertisement
4. Extra Power Requirements
5. Exhibitor Badges

We kindly request you to log in using your ID and password to complete these forms before the specified deadlines and generate the necessary proforma invoices. This will enable us to provide you with the required services efficiently. If you do not have your login credentials, you can easily retrieve them by using the “Forgot Password” option on the website.

For any queries or assistance, a **Helpdesk** will be operational at the **Organizer's Office** at the exhibition ground to guide you through the documentation process and address your concerns.

We look forward to your valued participation and assure you of our best efforts to make this exhibition a grand success.

Thank you for your cooperation and support.

Please ensure that all documents accompanying the vehicle comply with GST regulations.</p> <p>Heavy freight vehicles can enter Kolkata city between 10:00 p.m. and 6:00 a.m. Freight vehicles will not be permitted inside Biswa Bangla Mela Prangan from February 28th to 3rd March, 2025, during the exhibition days. Personal vehicles may only be parked in the authorized areas with the appropriate parking passes or stickers.</p> <p>The exhibitor shall be exclusively responsible for the transportation of exhibits to and from the stand, storage of empty packaging, use of lifting and materials handling equipment, deployment of personnel for packing and unpacking exhibits, assembly and dismantling of exhibits, repacking and other associated activities. Exit Gate Pass Clearance Certificate would be issued to only those exhibitors who have cleared all their dues and no payment whatsoever to any vendor/s is outstanding by them. Indian Plastics Federation accepts no liability whatsoever for any of the aforementioned performances.</p> <p>For transporting any item to West Bengal, it is obligatory to dispatch material only against Way Bill issued by West Bengal Sales Tax authority. IPF will issue Way Bill wherever required to exhibitors under certain conditions. / After GST, applicable law to be applied.</p>
29.	Admission	<p>: In principle, only those exhibitors whose products correspond to the specific programme of the event will be admitted as eligible for participation. In case of necessity the organisers reserve the right to alter / relocate the allotted space.</p>
30.	Exhibitor's Directory Entry:	<p>: Names, Addresses & Company profile of Exhibitors will be printed in the Directory. Exhibitor including Sub-Exhibitor will be entitled to a maximum 50-word free entry in the Exhibitor's Directory. The last date of receipt of free entry for the Exhibitor's Directory is 10th January, 2025. Entries received after this date may or may not be published.</p>
31.	Advertisement in Exhibitor's Directory	<p>: The Exhibitor's Directory shall also carry full-page advertisement at EXTRA COST. The deadline for receipt of advertisement is 10th January, 2025. Advertisement received after this date may or may not be published.</p>

32.	Force Majeure	: Under the conditions of force majeure, which also include strike, lock-out, closure, riot, natural calamities the Organisers reserve the right to alter the opening dates and duration or curtail, cancel or suspend in whole or part of the Exhibition. In such an event, the Exhibitor is neither entitled to rescind the contract nor to claim any compensation of damages
33.	Failure of Services	: The Organisers will make their best endeavours to ensure the services of the authorised contractors, but they shall not incur any liability to an Exhibitor for any loss or damage if any such services wholly or partially are not available or cease to exist.
34.	Permission/Approval	: All verbal agreements, permission, individual approvals or special authorisation shall be deemed to be valid only if confirmed in writing by the Organisers.
35.	Handling Facilities	: Only IPF authorized Material Handling Agents should be used for the exhibitor's personal unloading and handling of exhibit cases and machines at the exhibition site. Kindly refer to Annexure – V.
36.	Stall possession& Stand Construction, Decoration and Display Rules	: The stall of Exhibitors of Bare space and Shell scheme shall be handed over as per date and time mentioned in Point No 4, after making full payment. Official authority letter to be submitted at IPF office, to collect No due certificate and stall handover letter, which will be required to handover to Hall master, to get the stall possession. <ul style="list-style-type: none"> • Stands must be completely finished by 18:00 hours on February27, 2025. After that no work will be allowed inside the halls because of cleanliness and security concerns. • Any Exhibitor if discovered using more space than allowed or erecting structure beyond the guidelines may risk losing their participation in show as well as participation cost too. • We encourage pre-fabricated stands to be brought by our exhibitors and their fabricators for assembling in the exhibition halls. • It is not permitted to grout or drill holes in the floor or walls. • Spray paintings will not be permitted inside the exhibition halls. • No dangling structures are allowed from the exhibition hall ceiling. • The artificial floor's maximum height should not be greater than 10 cm/4" Where stalls are allotted back-to-back, a common rear wall of 4.0 meters can be constructed. • The entire show floor area must be covered or carpeted. • The stand's open side should not have partitions or other separators built into it. • Dividers orpartitions are not permitted in front of stalls, along their borders, or in front of routes or alleys.

			<ul style="list-style-type: none"> Exhibitors are allowed to erect offices and consultation cabins, but the height of these structures must not block the view of displays at nearby stalls.
37.	Exhibitor's Kit	:	Exhibitor will receive an exhibitor's kit for their convenience and trouble-free participation. The Exhibitor Badges, Stand Possession Letter, Exhibition Directory, Exhibition Participation Memento, Stationary will be included in the Kit.
38.	Electrical Installation	:	<p>In order to ensure safety, electrical wiring and installation must be carried out by registered professional technicians working for the exhibitors.</p> <ul style="list-style-type: none"> PVC, Elastomeric, or other plastic sheathed cables must be used for all wiring. No cable junctions without the right connectors are allowed. Use caution and keep lamps and equipment with high temperature surfaces far from combustible items. No appliance or light fixture will be allowed to be hanged from the hall's roof. For a permanent power connection, the exhibitor must submit an electrical work completion report in the prescribed format to the hall managers. Upon receiving the completion report, power will be turned on. Any installation that the organizers determine to be hazardous or likely to irritate visitors or other exhibitors may be disconnected. The Exhibitors are encouraged to install constant voltage transformers, insulation transformers, or stabilizers for CNC and other delicate machines in order to address voltage variations. Wherever possible, exhibitors are advised to use MCB. The stand's primary supply points and electrical installations should not be hidden and should remain accessible. Only the specific electrical points assigned to the exhibitor should be used. Any exhibitor or its designated contractor if discovered using unlicensed sources of power may risk losing their security deposit.
39.	Audio, Video & Stage Displays	:	<ul style="list-style-type: none"> Exhibitors with an exhibit area greater than 100 square meters are permitted to organize stage events in their respective stalls. Maximum time limit of no more than 15 minutes per show. Such shows should not interfere with other exhibitors or cause crowd control issues. Exhibitors must obtain the essential legal permissions from the organizers and if necessary, the relevant government agencies. The height of the sound speakers cannot exceed 4 meters. The event organizers reserve the right to stop providing power to the sound system, if the Exhibitor is found to be breaking the aforementioned rules.
40.	Gate Pass	:	Necessary gate pass will be issued to exhibitors, who has no dues whatsoever.
41.	Exhibitors passes	:	Free Exhibitors passes will be provided to exhibitors based on 2 Passes each

			9 sqm and multiple thereof. Exhibitors have to apply online on our website. The last date to apply is 15.01.2025. During the show days, exhibitors and their representatives are required to wear exhibitor badges given by the organizers, if not, entry into the exhibition halls will be restricted. Transfer or exchange of identification badges is strictly prohibited
42.	Identity Card	:	All employees of Exhibitors are required to have valid identification cards, and they must show them upon request from authorized security personnel or an IPF representative at any time throughout the construction, exhibition, or dismantling periods. Anyone found without a valid identity, or of questionable character, acting intoxicated or disorderly, committing any crime, trespassing, or acting rudely will be expelled from the exhibition HALL immediately.
43.	Fire Prevention	:	BISWA BANGLA MELA PRANGAN has made the essential measures for fire prevention equipment within the exhibition halls. The exhibitor is required to become familiar with where the closest fire hydrants and extinguishers are located.
44.	Final Decision	:	In case of any dispute arising out of the interpretation of the Rules & Regulations or between exhibitors and/or any other dispute of whatsoever nature the decision of the Chairman, Exhibition Organising Committee shall be final and binding in all matters relating to INDPLAS'25
45.	Changes in Rules & Regulation for smooth conduct of Indplas'25	:	The rules and regulations are subject to change from time to time as required for the Smooth organization of the exhibition and final decision of the organizers will be binding to all.
46.	Consent to Follow Regulations	:	The exhibitor agrees to abide by all of the rules and regulations set forth in this document as well as any other rules and regulations that may be made known by IPF from time to time regarding the exhibitor's participation in INDPLAS 2025. For guidance and compliance, applicants should thoroughly study all Rules & Regulations as necessary for the successful operation of the exhibition. The rules and regulations are subject to change from time to time.
47.	Indemnification	:	The exhibitor agrees to defend and hold IPF harmless from any and all claims arising from the acts of the exhibitor, his agents, representatives and employees, as well as all contractors, erectors, delivery people, suppliers and material handling personnel, whether providing services, performing delivery work or supplying materials.
48.	Jurisdiction	:	All disputes will be subject to Kolkata Jurisdiction only.
